SUDHIR SINGH ★★★★★

This is a fantastic place for students who are serious about academic excellence and mastering core concepts. We enrolled in the Premed Magnet School Academy Program, and Mr. B has been outstanding throughout the journey. He clearly defined the curriculum from the start, maintained a structured plan, and ensured that my daughter stayed focused while keeping up with her regular schoolwork and tests.

Mr. B consistently communicated with us, keeping us informed about the topics being covered and what was coming next. He went above and beyond by offering extra sessions—some of them as bonus classes—to reinforce understanding and ensure full syllabus coverage.

Thanks to Mr. B's dedication and structured approach, our child was accepted into the Middlesex Academy Magnet School. We're incredibly grateful for his commitment and support.

JAYA SWAMY ★★★★★

I reached out to Dr. B for help with my daughter's ONLINE SAT prep just a week before her exam, after getting his reference from a friend in New Jersey. Due to time constraints, I initially requested support only for Math, where she needed the most help. Despite the last-minute request, Dr. B showed great enthusiasm and made every effort to fit her into his schedule. He not only assisted with Math but also provided guidance in English, helping her achieve a solid score on the test.

Additionally, Dr. B encouraged her to retake the SAT a couple of months later. With his continued support, her English score significantly improved to 790, and her Math score also saw considerable progress. I'm extremely grateful for Dr. B's dedication and would highly recommend him.

CHARAN MOULI ★★★★★

Scholar Tutorials in Edison, New Jersey, is truly exceptional. From the moment my children enrolled, I witnessed a commitment to excellence unlike any other. The tutors understand the unique needs and pace of each student, crafting personalized learning experiences that nurture growth and success. Not only did they prepare my children for the ISEE, but they also exceeded my expectations, helping them achieve impressive scores. I am endlessly grateful for the dedication and expertise of the faculties at Scholar Tutorials. They have undoubtedly made a lasting impact on my children's academic journey, and I wholeheartedly recommend them to any parent seeking top-notch education for their children.

VRUNDA GOR ★★★★★

I am a senior in high school right now. Scholar Tutorials has helped me so much in improving my reading and mathematics. I started to go there for SAT tutoring. Dr. B, Mr. B, and Ms. Lubna helped me so much to strengthen my techniques and timing. They did not only help me to do better on the SAT but their teachings helped me to do better in my classes. All three are so friendly and understanding. They understand your weakness and believe in you to do well. Studying there helped me so much that I am finally accepted into a college I wanted to go to. Thank you to Dr. B, Mr. B and Ms. Lubna. A place where parents can trust their kids.

KRISH DESAI ★★★★★

Scholar Tutorials Helped Me Excel Academically. Scholar Tutorials and Mr. B have helped me improve in every way academically. I joined last year, and since then, my school grades have improved tremendously—just last marking period, I earned all A's.

Whenever I have questions in Math, I get the support I need to understand the concepts clearly. In English, whether it's Vocabulary, Reading, or Language Arts, I receive focused help. For Science, whatever topic we're covering at school, Scholar Tutorials ensures I stay on top of it.

Thanks to their guidance and support, I'm consistently getting all A's this year. I highly recommend Scholar Tutorials to anyone who wants to improve their grades and go beyond what's taught in school.

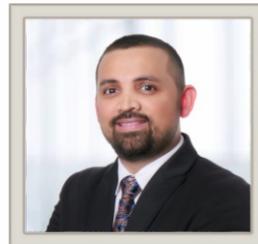

FOUNDER & ACADEMIC DIRECTORS

Prashant Baldev
Ed.D.,
Doctor of Education
Rutgers University

Founder and Academic Director of Scholar Tutorials, Dr. Prashant Baldev, Ed.D., Doctor of Education, Rutgers University, formulates and implements all PSAT/SAT/ACT Test Prep Programs and believes in Customized Tutoring Programs for each individual student. He has over four decades of professional teaching experience and works with his team of expert and experienced teachers. His dissertation thesis titled "Urban Students Developing Algebraic Ideas in an Informal After-School Program" helped him to understand the learning needs of students outside of school. He has been involved in various educational research projects at the Robert B. Davis Institute of Learning, Graduate School of Education, Rutgers University.

Satyen Baldev
M.Ed.,
Master of Education
Rutgers University

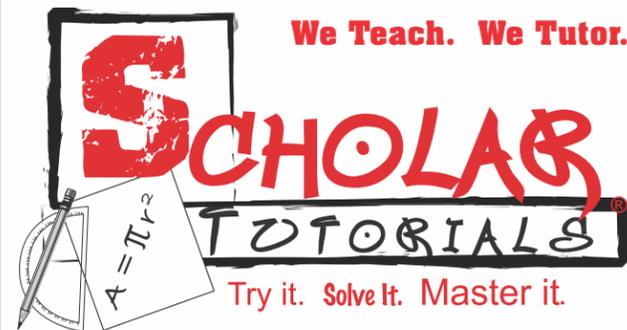

Satyen Baldev, affectionately known as Mr. B by his students and their parents, holds a B.A. in Biology from Rutgers University, along with dual master's degrees: one in Mathematics Education from Rutgers University and another in Early Childhood Education from Kean University. He loves teaching SAT/ACT Math and English strategies, finding immense satisfaction in the small "aha" moments that light up students' faces during tutoring. A cornerstone of Scholar Tutorials since its inception, Mr. B has cultivated a distinctive teaching style by blending insights from Dr. B's teaching techniques with his own extensive experience outside of Scholar Tutorials. His approach prioritizes a deep understanding of concepts, as opposed to rote memorization, to ensure that students build a strong foundation for learning. With over a decade of experience teaching K-12 students, Mr. B is a passionate advocate for early childhood education, recognizing its profound impact on students' long-term academic success.

Scholar Tutorials® aims at creating happy and confident students who love to learn!

IMPORTANT POINTS

NEW ENROLLMENT

1. Make your account online on school.scholartutorials.com
2. Choose your program
3. Schedule your First Session
4. Pay the first installment or total fees

ALL TUTORING SESSIONS ARE OF 2 HOURS EACH PAYMENT POLICY

All payments are by Zelle, Check, or Cash. Checks should be made in the name of Scholar Tutorials. We do not accept Debit/Credit cards.

PROGRAM UPGRADE POLICY:

Please be advised that if you upgrade any program within ONE MONTH from the date of enrollment or date of the first session, whichever is later, and pay the difference, you will be entitled to additional FREE SESSIONS for the upgraded program.

SESSION SCHEDULING POLICY

Parents and students are requested to schedule ONE SESSION PER SUBJECT EVERY WEEK for effective tutoring and better grades.

MAKE-UP SESSION POLICY

Parents and students should schedule a MAKE-UP SESSION ASAP to maintain continuity in tutoring.

PROGRAM COMPLETION POLICY

Please be advised that ALL SESSIONS in any program you enroll need to be completed on/before the last working day of the academic year in June. No rollover, transfer, adjustment or refund will be allowed IN ANY CASE. This rule does not apply to PSAT/SAT/ACT TEST PREP PROGRAMS.

**Your cooperation in following
ALL THE ABOVE POLICIES
will be appreciated.
THANK YOU!**

We are very proud of our Students' Achievements!

MATH PROGRAMS

SPECIAL FEATURES

- **Triple Advantage** of an independent Math tutoring program along with continuous on-going help with school homework and NJSLA TEST PREP.
- **Synchronization** of the tutoring program with the school program. It means, as far as possible, we do similar topics in class as in school on a weekly basis, so that the students can maintain focus and remain interested.
- Help in understanding and completing the **School Homework**.
- **School Quiz and Test Help**. Every week, we help the students to prepare for the topics that the school will be testing them in the forthcoming week. This helps students improve their grades in school and build confidence.

ENGLISH PROGRAMS

SPECIAL FEATURES

- **Triple Advantage** of an independent English tutoring program along with continuous on-going help with school homework and NJSLA TEST PREP.
- The program focuses on **Reading & Writing Skills**. For Grades K to 6, there is a special emphasis on the development of **Spelling Skills**.
- **Ample Essay Writing Practice**
- **Vocabulary Building** is an important part of the program for all grade levels. There is **Weekly Vocabulary Test**.
- From Grade 7 onwards, the program focuses on preparing the student for **PSAT[®]/SAT[®]/ACT TEST**.
- Help in understanding and completing the **School Homework**.
- **School Quiz and Test Help**. Every week, we help the students to prepare for the topics that the school will be testing them in the forthcoming week. This helps students improve their grades in school and build confidence.

SCIENCE PROGRAMS

SPECIAL FEATURES

- The program focuses on increasing student's understanding of **Science Content**.
 - Help in building **Science Vocabulary**.
 - Help in understanding and completing **School Homework**.
 - Help in preparing for **School Quiz and Test**.
 - **One-on-One Tutoring for High School Programs**
- NJSLA TEST PREP Included in all the Above Math/English/Science Programs**

WHAT MAKES SCHOLAR TUTORIALS DIFFERENT FROM OTHERS

- A Tutoring Center and not just a Learning Center
- Sync with School Curriculum
- Sync homework with classwork
- Detailed explanation of each topic
- Makes student a self-learner
- Expert & Highly experienced Tutors

SCHOLAR TUTORIALS TEAM discounts the Behaviorist Theory of Learning that emphasizes changes in behavior that results from external stimulus-response associations made by the learner. We reject the view that a learner is essentially passive in responding to environmental stimuli. We believe in the Constructivist Theory of Learning where learning is an active process in which learners construct new ideas or concepts based upon their current/past knowledge. We suggest that humans have an inherent passion for knowledge and the goal of education is to create the appropriate learning environment for learners to build, share and revise their ideas. We love talking about these theories and enjoy implementing related concepts at Scholar Tutorials.
